Drumvale Riverview Social Welfare Bylaws

- 1) There will be established an optional members welfare for all registered members.
- 2) All members **MUST** register with a non refundable registration fee of **Kshs 100 for eligibility**. New members shall be required to pay entrance fee of **Kshs 2,000** reviewed annually. The welfare is meant to assist members only during bereavement (benevolence). The welfare therefore shall cover the following;
 - a. The principle member who is the main contributor.
 - b. Members of nuclear family which include children and spouses. Children include those at the age 30yrs and below and adopted children that will be supported by adoption documents. Children above 30yrs of age should join the welfare as members.
 - c. Biological Parents of both spouses. However for needy cases where a member has lost someone who has been like a parent to him or her, members will be requested at will without any coercion to chip in and give assistance of any kind or amount but upon advisory from the executive committee. All information given shall be scrutinized thoroughly.
 - d. For polygamous family, the principle member shall be required to include all the wives in the cover under polygamous section in the registration form.
- 3) Members should contribute **Kshs. 300** for death of nuclear member of the family and **Kshs. 500** in-case the principle member dies and **Kshs. 200** for death of parents and parents in-laws. The money contributed shall be given to the member or bereaved family before burial takes place and hence shall not be announced in any forum. However for polygamous family the principle member shall contribute additional 50% of the contribution for subsequent wives (spouses) for each case scenario.
- 4) After a period of time the executive committee shall advise the members on the uniform figure to be given to a member for each case scenario for uniformity after considering the activeness of the members in contribution. The figure may be reviewed upwards or downwards depending on the number of active registered members. After evaluation, the following figures were passed by members to be given to the bereaved family; Parents & parents in-laws **Kshs 30,000**, Nuclear member **Kshs 60,000**, Principle member **Kshs 100,000**.
- 5) In-case there are more than one member of the same family in the group welfare and they share a biological parent, members shall contribute the agreed amount of money for the late parent only not to the individual members. The contributions made shall be given to the principal members of that family on equal basis or as they may all decide in a meeting to be called by the executive officials during handover of the money ceremony.
- 6) The deadline for case contribution shall be **STRICTLY 7days** effective the date the case is announced by the executive office. There shall be no more contribution update on the group wall after case closure. But members must update their records for future case consideration.
- 7) Members **MUST** contribute consistently. Any member who does **NOT** contribute consistently for three consecutive cases will not qualify for any assistance. Any member with two pending cases must clear the payment for consideration.
- 8) The Secretary and the Treasurer shall update member's contribution in real time through the digital platform (Whatsapp) and record kept in the welfare register for future reference.
- 9) The members' personal record shall be kept confidential only by the secretary. Any violation for confidentiality will be dealt with by available laws of the land of data protection.
